D. Other Business and Special Motion

The shareholder (account number 95044) would like to ask about the Company's ESG sustainable development and environmental protection issues.

Chairman's reply:

The Company promotes ESG and environmental protection as vital indicators for its long-term development. We release ESG report annually. This year, it will be released before the end of June. The international beverage companies have clear goals for environmental protection and sustainable development. Therefore, as a supplier, we will formulate sustainable strategies based on various indicators and aggressively move toward the goal of sustainable development.

The shareholder (account number 165270) would like to ask about the Company's profit in Q1, seasonal difference, and the future of development.

Director, Tsao, Hsih-Chung's reply:

The first quarter profits of 2023 were not as good as expected. First, we rebated the client because their orders have exceeded the required amount stipulated in the contract. In addition, the electricity bills, raw materials, and related procurement costs increased, and some products' selling prices has time lag to reflect the cost movement. However, the revenue is rising monthly, so this situation should continue improving as the utilization rate increases during the peak season.

There is a significant revenue difference in the beverage market between the off-season and the peak season. Thus, we are actively expanding our footprints in Southeast Asia. Due to the hotter climate than other regions, Southeast Asia's revenue increased to about NT\$ 8 billion in 2022, reducing the impact from revenue difference between the off-season and the peak season.

As for the Company's prospect, we operate this Company from 5 to 10 years' long-term perspective rather than for near term. In line with our global business strategy, we set up a Hon Chuan office in Japan to expand the local market and actively participate in packaging and beverage exhibitions overseas. We will continue cooperating with clients in the beverage ODM and OEM, and it's worth looking forward to future development.

The shareholder (account number 164330) would like to ask about the progress of the new plant in Indonesia, the situation of China's revenue, and gross margin decline in Q1.

Director, Tsao, Hsih-Chung's reply:

The Company's investment methodology for establishing a new plant is to sign contracts

with clients and then purchase equipment to ensure stable investment return that deliver profitable growth to our shareholders. Due to the large scale of this case, it takes more time to make detailed planning before we start to construct the factory and equipment installation is expected to postpont until the second half of 2025.

You mentioned the growth of China market seems not strong. However, beverages are essential consumer goods for people. And China has a population of 1.3 billion. We are actively engaging in cooperation with clients. Therefore, we still observe positive developments in our industry. I have answered the third question and won't repeat it.

E. Meeting Adjourned

Business Report

Looking back at the previous year, the global geopolitical environment in 2022 was a year marked by turbulence and instability, exacerbated by recurrent surges of the COVID-19 pandemic, global warming threatening the ecology and our living environment, geopolitical conflicts, rising raw materials costs and inflation. All of the above have posed challenges and uncertainties to the business and market environment faced by companies. Under such a rapidly-evolving business environment, Taiwan Hon Chuan remains cautiously optimistic. We have continued to work diligently, actively strive to overcome any challenges and achieve new developments. As demonstrated in our resiliency and competitiveness, we have once again achieved a record high. In 2022, consolidated sales reached NTD\$ 24,696,308,000, increased by 15.50% from NTD\$ 21,382,534,000 in 2021. Profit after tax totaled at NTD\$ 2,277,184,000, an increase of 12.27% from last year's NTD\$ 2,028,358,000. Earnings per share were 7.70 dollars for the year of 2022 conclusively.

The year 2022 was the starting point and catalyst of Taiwan Hon Chuan's key development, where we placed even more focus on "product quality, customer service, international distribution, talent cultivation, innovation and research and development," etc. We have gained remarkable business results through dedication and diligence despite all hardships and challenges. We will continue to improve, focusing on the customer needs, insisting on food safety and quality and pursuing corporate sustainability.

Foundation Through Quality

Valuing product quality and food safety is the Company's primary responsibility. Therefore, we established the Quality Improvement Management Committee in 2022, including members from quality control, manufacturing (including warehousing and transportation), sales, human resources, equipment(mold) improvement, procurement, and auditing to formulate methods and respective responsibilities to reach the quality goals the Company set through cross-department coordination, actions from meetings' resolutions, and subsequent follow-up.

Customer Service and Continued Growth

We shall continue to build long-term strategic partnerships with our customers to create new market opportunities. In 2022, we have been creating tailored innovative business models for our customers in Taiwan, China and Southeast Asia, meeting their demands through product innovation and manufacturing excellence to increase our customers' competitiveness in the market.

Global Distribution and Marketing

In 2022, as the global pandemic gradually subsided, Taiwan Hon Chuan's business development team traveled to the U.S., Japan, Southeast Asia and Europe to participate in overseas trade fairs and exhibitions, actively visit customers and engage in on-site market studies, and expanded distribution opportunities by combining online and offline sales through e-commerce platforms. In 2022, we planned the set-up of production sites such as Taiwan Free Trade Plant, China Chuzhou 2nd Plant, Zhejiang Quzhou Plant and Indonesia KIIC Plant in West Java, all of which will start commercial operations between 2022 to 2024.

Talent Cultivation and Elite Program

Hon Chuan academy set up an “Elite Program” in October 2021 to carry out professional training plans and introduce a learning platform to meet the demand for group talents in the future.

Innovation and Development for Continued Sustainability

Taiwan Hon Chuan has continued to develop new products as the main direction to sustain the vitality of the Company. We focus on its own industry and expands its cross-domain products such as flavoring bottles, dairy bottles, cosmetics bottles and eco-friendly products such as rPET bottles, rHDPE caps, and flexographic printing labels.

Promoting Corporate ESG

Taiwan Hon Chuan continues to strive towards our corporate purposes: “acquiring good business reputation, developing global markets, respecting our customers, caring for our employees, and fulfilling our social responsibilities.” Meanwhile, we actively promote the aspect of ESG (environment, society, corporate governance) and respond to the Sustainable Development Goals adopted by the United Nations. In 2022, we won the TCSA “Taiwan Top 100 Sustainability Model Corporate Award” and “Enterprise Sustainability Award – sustainability report gold award.” In terms of employees – we won the Taichung City Government Happiness Career the ultimate accolade – “Happiness Benchmark Award” and “Five Stars Award” and won the Workforce Development Agency “Gold Award and Honorable Mention Award in Labor Affairs.” In terms of the environment – We have been recognized with numerous accolades, such as the "Taichung City Government's Outstanding Public and Private Sector Award for Pollution and Carbon Emissions Reduction Award" and signed the E. Sun Bank's Sustainability Partnership Initiative, declaring our commitment to zero carbon emissions by 2050 and conducting corporate greenhouse gas inventories to move toward the goal of net-zero emissions. In terms of innovative products – we won Taiwan Association for Food Science and Technology “Innovative Packaging Design – Gold Medal Award and Silver Medal Award”; also won Taichung City General Industrial Association “Distinguished Innovative R&D

Manufacturer.” In terms of society – we continue to participate in social care to give back to society and care for disadvantaged groups to fulfill our corporate social responsibility.

Prospect

The long-term operating direction is to continuously promote the goal of “structural transformation, increase efficiency, reduce costs, foster innovation, deepen cooperation, and improve profitability.” The operation directions of the Company are as follows:

- (1) Structural transformation: continuously promote the aspect of ESG (environment, society, corporate governance) in order to implement comprehensive quality assurance, meet client demand, cultivate talents, optimize the organizational operation and operational efficiency in each plant.
- (2) Increase efficiency: uplift automation processes and introduce Manufacturing Execution Systems to timely mastery of manufacturing information.
- (3) Reduce costs: through open tendering procurement, lean management, and internal audit to implement cost control.
- (4) Foster innovation: develop innovative products, such as niche products, products for the circular economy, and cross-industry packaging.
- (5) Deepen cooperation: promote a customer-oriented culture which is led by a win-win business model and partnership via improving service quality, and focusing on the clients' needs to win their trust.
- (6) Improve profitability: implement business policies and targets, continuously create value for the Company, employees, society, and shareholders.

Taiwan Hon Chuan will continue to pursue a global strategy through our innovative business model, agile management, strong integration, extensive domestic and international customer experience, and to enhance production and manufacturing technology and corporate governance. We will continue to commit to professional developments, innovative research, talent cultivation and operational efficiency.

Looking to the future, THC will continue to focus on strong execution with headquarters in Taiwan and global footprints across Mainland China, Southeast Asia and Africa to replicate our expertise in Taiwan globally. We hope to achieve sustainable development, carry our past successes and forge ahead, and continue to create values for our customers, our partners, and our shareholders in the future.

Independent Auditors' Report (Financial Statements)

The Board of Directors and Shareholders
Taiwan Hon Chuan Enterprise Co., Ltd.

Opinion

We have audited the accompanying financial statements of Taiwan Hon Chuan Enterprise Co., Ltd. (the "Corporation"), which comprise the balance sheets as of December 31, 2022 and 2021, and the statements of comprehensive income, changes in equity and cash flows for the years then ended, and notes to the financial statements, including a summary of significant accounting policies (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Corporation as of December 31, 2022 and 2021, and its financial performance and its cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and the Standards on Auditing of the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Corporation in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the year ended December 31, 2022. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

The key audit matter identified in the Corporation's financial statements for the year ended December 31, 2022 is described as follows:

Revenue recognition

The Corporation manufactures and sells plastic caps and PET bottles, PET preforms and provides beverage filling OEM services. Because revenue from high-growth companies from the aforementioned main products is significant to both the Corporation's revenue and profit, we identified revenue from high-growth companies' recognition as a key audit matter. Refer to Note 4 to the financial statements for the accounting policies on revenue recognition.

The key audit procedures that we performed in respect of revenue recognition included the following:

1. We understood the design of the internal controls related to revenue recognition and tested the operating effectiveness of the key controls. We also sampled and tested the effective continued operations of relevance controls.
2. We selected sample entries from the main products and we checked the entries against the original order, delivery order, invoices and receipt vouchers. We also checked the entries against the documents acknowledged by customers for their receipts, deliveries and orders.

Other Matter

We did not audit the financial statements of Hon Chuan Vietnam Co., Ltd., Hon Chuan Malaysia Sdn. Bhd., Hon Chuan (Thailand) Co., Ltd. and Hon Chuan FD Packaging Co., Ltd., which are investees of the Corporation and are accounted for using the equity method for the year ended December 31, 2022 and 2021, but such financial statements were audited by other auditors. Our opinion, insofar as it relates to the amounts included in the Corporation's financial statements for these investees, is based solely on the reports of other auditors. The total assets of the aforementioned investments accounted for using the equity method were NTD3,753,100 thousand and NTD3,317,752 thousand, representing 11.37% and 10.91%, respectively, of the Corporation's total assets as of December 31, 2022 and 2021. The comprehensive income of these investees was NTD429,400 thousand and NTD420,219 thousand, representing 15.97% and 29.59%, respectively, of the Corporation's comprehensive income for the years ended December 31, 2022 and 2021.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and for such internal control as management determines necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Corporation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Corporation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the audit committee, are responsible for overseeing the Corporation's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Corporation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Corporation to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient and appropriate audit evidence regarding the financial information of entities or business activities within the Corporation to express an opinion on the financial statements. We are responsible for the direction, supervision, and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the year ended December 31, 2022 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audits resulting in this independent auditors' report are Shao-Chun Wu and Hsiao-Feng Yen.

Opinion

We have audited the accompanying consolidated financial statements of Taiwan Hon Chuan Enterprise Co., Ltd. and its subsidiaries (collectively referred to as the “Group”), which comprise the consolidated balance sheets as of December 31, 2022 and 2021, and the consolidated statements of comprehensive income, changes in equity and cash flows for the years then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies (collectively referred to as the “consolidated financial statements”).

In our opinion, based on our audits and the reports of other auditors (please refer to the Other Matter paragraph), the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as of December 31, 2022 and 2021, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, and International Financial Reporting Standards (IFRS), International Accounting Standards (IAS), IFRIC Interpretations (IFRIC), and SIC Interpretations (SIC) endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and the Standards on Auditing of the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion based on our audits and the report of other auditors.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the year ended December 31, 2022. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

The key audit matter identified in the Group's consolidated financial statements for the year ended December 31, 2022 is described as follows:

Revenue recognition

The Group manufactures and sells plastic caps and PET bottles, PET preforms and provides beverage filling OEM services. Because revenue from high-growth companies from the aforementioned main products is significant to both the Group's revenue and profit, we identified revenue from high-growth companies' recognition as a key audit matter. Refer to Note 4 to the consolidated financial statements for the accounting policies on revenue recognition.

The key audit procedures that we performed in respect of revenue recognition included the following:

1. We understood the design of the internal controls related to revenue recognition and tested the operating effectiveness of the key controls. We also sampled and tested the effective continued operations of the relevant controls.
2. We selected sample entries from the main products and checked the entries against the original orders, delivery orders, invoices and receipt vouchers. We also checked the entries against the documents acknowledged by customers for their receipts, deliveries and orders.

Other Matter

We did not audit the financial statements of Hon Chuan Vietnam Co., Ltd., Hon Chuan Malaysia Sdn. Bhd., Hon Chuan (Thailand) Co., Ltd. and Hon Chuan FD Packaging Co., Ltd., which are investees of the Group and are included in the consolidated financial statements as of and for the year ended December 31, 2022 and 2021, but such statements were audited by other auditors. Our opinion, insofar as it relates to the amounts included in the Group's consolidated financial statements for these investees, is based solely on the reports of the other auditors. The total assets of the aforementioned investees were NTD4,399,428 thousand and NTD4,040,075 thousand, representing 12.01% and 12.04%, respectively, of the Group's consolidated assets as of December 31, 2022 and 2021. The total sales of the aforementioned investees were NTD3,771,699 thousand and NTD3,075,600 thousand, representing 15.27% and 14.38%, respectively, of the Group's consolidated net sales for the years ended December 31, 2022 and 2021.

We have also audited the parent company only financial statements of Taiwan Hon Chuan Enterprise Co., Ltd. as of and for the years ended December 31, 2022 and 2021 on which we have issued an unmodified report with other matter paragraph.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, and IFRS, IAS, IFRIC, and SIC endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the audit committee, are responsible for overseeing the Group's financial reporting process.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient and appropriate audit evidence regarding the financial information of entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision, and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the year ended December 31, 2022 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audits resulting in this independent auditors' report are Shao-Chun Wu and Hsiao-Feng Yen.
